Please describe your dance training and list schools attended and degrees earned, as well as your professional performing experience:

What do you consider to be your strengths as a dancer/choreographer/teacher?

What is your mission/philosophy as a dancer/choreographer/ teacher?

Are you interested in working with Art Education Programs such as: performing for schools, leading after school dance classes, leading workshops for residencies in universities and community settings?

Please list your teaching experience (including ability to teach different styles of dance) and elaborate upon your interest in working with K-12 Arts in Education programs.

Are you interested in working in traditional venues as well as site-specifically and in not-traditional performance spaces? What is your experience in working site-specifically?

Have you seen ClancyWorks in concert? Are you familiar with our work? What concerts/dances/workshops have you taken or seen?

How did you find out about this audition, and what motivated you to attend?

What specifically can you bring to ClancyWorks and what specifically are you looking to learn if you were to work with ClancyWorks?

When are you available for rehearsals during this summer? And during next year?
